CLUB DE TENIS 1907

The fourth edition is here!

We are delighted to organize a new edition of our International ITF Seniors Tournament (Grade 2) at the Real Zaragoza Tennis Club. In 2018 more than 160 players from different parts of the world competed in categories from +35 to +80.

Along with the competition program, an intense social program will be organized. It will include the opening ceremony, a wine tasting session, and other events to be announced free for players. There, ham (the famous Spanish jamón) and other regional products will be served. A Tournament banquet (not included in the fee) will also be organized where interesting presents, like tickets to the ATP Mutua Madrid Open, will be raffled.

Looking forward to seeing here!
